Dear Gary,

I just wanted to thank you for your help with the sale and installation of the RGF PHI Cells. As you know, we required every resident to install the HVAC units in their residences and the plug-ins in their cabanas. The building now has a fresher, cleaner feel than ever before and we are very pleased with the performance of your product.

On a personal note, I purchased and installed the HVAC unit in my home. I have a 60lb dog that stays inside all the time. The reduction in pet odor is amazing!

Thank you once again.

Sincerely,

Steve Brannon
